Subject: Testimony to the Judiciary Committee in support of Proposed Senate Bill No. 650, House Bill No. 6848, and House Bill No. 6962.

Hi. These bills are no-brainers, will save lives, and do not infringe on law abiding citizens and their rights. Do you know that guns, and people who shouldn't have guns, kill twice as many kids as cancer each year (<http://www.usatoday.com/story/news/nation/2013/04/11/guns-child-deaths-more-than-cancer/2073259/>)? I know you support efforts to reduce the cancer epidemic. Well, you are in the enviable position, and you possess the responsibility to do more to help reduce the gun violence epidemic as well. Please fulfill your responsibilities by supporting these life-saving bills.

Thank you,

Jim Parsons
